

The Infinity Family

Slim, elegant design with infinite combinations.

The Infinity Family offers unlimited design possibilities giving you almost complete freedom of expression. Through its ability to represent any shape, material, colour or image, Infinity can reflect the unique personality of any organisation or environment.

The broad range of texting technologies support any graphic solution making your identity clear.

Infinity offers a wide range of mounting options from tape to Security screws - created to meet your demands.

Infinity Classic

The unique back grid makes it a truly modular system.

Infinity Basic

One shape and a range of the most useful sizes we are able to offer real value for money.

Infinity AnyShape

Break out of the box! Infinity AnyShape allows designers the freedom to create signs of any outline.

Infinity Glass

Exclusive glass look.

Infinity Logo

Slim and elegant alternative to conventional canister letters.
